Quality Gaskets Made in the USA

**AN NSF-61 CERTIFIED GASKET WITH A
RAISED BEAD TO ENSURE PROPER SEALING**

MeterSeal™ Rubber Gaskets have a raised bead that compresses before the gasket to ensure sealing even with uneven bolt torques. Our optional patented tab allows for precise gasket placement.

SPECIFICATIONS

- Meets ANSI/AWWA C111/A21.11 Standards
- MeterSeal™ oval and tabbed available in 1 1/2" & 2" I.D.
- Standard MeterSeal™ gaskets are EPDM. Other polymer compounds, including SBR, NBR, Neoprene, and FKM, are available upon request.
- All SBR, EPDM, NBR, and FKM Meterseals are NSF-61 certified.
- Rated up to 200 PSI

Specification Rubber has continued to be a leader in water system quality, innovation, and technology since 1968. We are an ISO-certified manufacturer of NSF-61 certified gaskets and sealing solutions, manufacturing all of our products in the USA.

**Check each individual meter for the correct operating pressure.*
